

Final Programme

Chair of the Forum: Hon. Mr. Fernando Haddad, Mayor, Municipality of São Paulo, Brazil

Co-Chair of the Forum: Hon. Ms. Olijana Ifti, Deputy Minister of Environment, Albania

DAY 1: 8 SEPTEMBER 2014, MONDAY (ROOM/LOCATION: GALERIA/SHERATON WTC)

Time	Agenda Items	
Morning Half	Opening Ceremony of 2014 ISWA Solid Waste Congress	
13:00-14:00	Registration for IPLA Forum	
Welcome Remarks by Organizers & Supporting Organizations		
14:00-14:30	<ul style="list-style-type: none"> - Hon. Mr. Fernando Haddad, Mayor, Municipality of São Paulo, Brazil - Mr. David Newman, President, International Solid Waste Association (ISWA) - Mr. CRC Mohanty, Environment Programme Coordinator, UNCRD 	
Keynote Speech		
14.30-15.00	<p><i>Waste: A Key Resource for Sustainable Development (30 min)</i></p> <p>- by Mr. Surendra Shrestha, Director, UNEP IETC, Osaka/Japan</p>	
Theme 1: Empowering Municipalities through Integrated Decision Making Tools		
15.00-16.00	<p><i>Integrated Decision Making Tools for Municipalities towards Zero Waste Societies (20 min)</i></p> <p>- by Prof. Cristina Trois, Dean and Head of School School of Engineering, University of kwaZulu-Natal, Durban, South Africa, and Dr. Ing. Alberto Borello, Head of Landfill-Gas and Biogas Engineering, Asja Ambiente Italia, Italy.</p> <p><u>Discussion (40 min):</u></p> <ol style="list-style-type: none"> 1. <i>What are the critical decision making issues faced by the municipalities in waste sector?</i> 2. <i>What are the best possible means and tools to empower developing municipalities in advancing zero waste strategies?</i> 3. <i>What are the options to empower municipalities for science-based policy making through improved knowledge management? What are the institutional measures municipalities can consider to that regard?</i> 	<p><u>Facilitator/ Moderator:</u> CRC Mohanty, UNCRD</p>
Theme 2: Empowering Municipalities to Achieve Co-benefits through CCAC (Climate and Clean Air Coalition)		
16:00-17:00	<p><i>Empowering Municipalities to Achieve Health-Economic-Climate Benefits through CCAC MSWI (20 min)</i></p>	<p><u>Facilitator:</u> Mr. Gary</p>

	<p>- by Speakers:</p> <ol style="list-style-type: none"> 1. Hon. Mayor Boonsong Tantanee, Phitsanulok city, Thailand 2. Ms. Nida Cabrera, City Councilor of North District, Cebu City, Philippines 3. Mr. Jose Henrique Penido, Comlurb, Rio de Janeiro, Brazil <p><u>Discussion (40 min):</u></p> <ol style="list-style-type: none"> 1. <i>What are the effective knowledge management strategies for municipalities to address social, economic, and environmental benefits of SLCP mitigation through sustainable waste management?</i> 2. <i>What are the innovative partnership options to enhance the role of both municipalities and private sector in mitigating SLCP in waste sector?</i> 3. <i>How can we efficiently operationalize at municipal level a successful triangular cooperation between –municipal authority, private sector, and scientific and research institutions - for (a) science-based policy making towards mitigating SLCPs in waste sector? and (b) strengthen data/information base in monitoring and evaluating the impact of municipal waste management policies and programmes in mitigating SLCPs?</i> 	Crawford, ISWA/Veolia
END OF DAY 1		

DAY 2: 9 SEPTEMBER 2014, TUESDAY (ROOM/LOCATION: GALERIA/SHERATON WTC)

Chair of the Forum: Hon. Mr. Fernando Haddad, Mayor, Municipality of São Paulo, Brazil
Co-Chair of the Forum: Hon. Ms. Olijana Ifti, Deputy Minister of Environment, Albania

Time	Agenda Items	
Theme 3: Economic Empowerment of Municipalities through Efficient Biomass Waste Utilization		
9:30-10:30	<p><i>Economic Opportunities for Municipalities in Biomass Waste Utilization - Role of Knowledge Management and Technological Intervention (20 min)</i></p> <p>- by Prof. Dr. Agamuthu Pariatamby, Senior Professor, Institute of Biological Sciences, Faculty of Science, University of Malaya</p> <p><u>Discussion (40 mins)</u></p> <ol style="list-style-type: none"> 1. <i>Is biomass waste a neglected resource for municipalities? What are the options or opportunities for municipalities for full scale utilization of agricultural biomass waste and livestock waste from both environment and economic point of view?</i> 2. <i>How can municipalities set in motion a better knowledge management mechanism or programme to build local technical capacity to that regard?</i> 	<p><u>Facilitator/ Moderator:</u> CRC Mohanty, UNCRD</p>

	3. <i>What form of PPPs municipalities can think of in biomass waste management?</i>	
Theme 4: Knowledge and Technology Management Issues in Waste Management Sector – Cases of Latin American Cities and Municipalities		
10:30-10:50	Case of Sao Paulo City (Brazil) - by Mr. Silvano Silverio da Costa, President-AMLURB, Sao Paulo Municipality	<u>Facilitator/ Moderator:</u> CRC Mohanty, UNCRD
10:50-11:10	Case of Bogotá City (Colombia) - by Ms. Sandra Milena Pinzon Garcia, Representative of Bogotá Zero Basura	
11:10-11:30	Coffe/Tea Break	
11:30-11:50	Case of Rio de Janeiro (Brazil) - by Mr. Jose Henrique Penido, Comlurb, Rio de Janeiro, Brazil	
11:50-12:10	Case of Chile - by Mr. Hernan Duran de la Fuente, Director General, GESCAM, Santiago, Chile	
12:10-12:30	Open Discussion	
12:30-14:00	Lunch Break	
Theme 4: Knowledge and Technology Management Issues in Waste Management Sector – Cases of Latin American Cities and Municipalities (Cont'd)		
14:00-15:00	<i>Capacity, Knowledge and Institutional Issues and Challenges in Waste Management Sector-Case study of Albania (20 min)</i> - by Hon. Mrs. Olijana Ifti, Deputy Minister of Environment of Albania <u>Discussion (40 mins)</u> 1. <i>What important lessons can be learned from the city cases in Latin American region?</i> 2. <i>If the current situation persists, how would it affect the future generations – socially, economically, and environmentally? What would be the cost of inaction on knowledge management and technological interventions?</i> 3. <i>What should be the key features of municipal policies and city development strategies, including investment options, in integrating science based policy making in waste management?</i> 4. <i>How can city-to-city south-south cooperation help overcome knowledge and technology management issues in waste sector?</i>	<u>Facilitator/ Moderator:</u> CRC Mohanty, UNCRD
Theme 5: Empowering Municipalities through Multilayer Partnerships in Waste Management		

15:00-15:20	<p><i>Multilayer Partnerships in Waste Management as the Basis for Empowering Municipalities to Realize Resource Efficient and Zero Waste Societies (15 min)</i></p> <p>- by CRC Mohanty, Environment Programme Coordinator, UNCRD</p>	<p><u>Facilitator/ Moderator:</u> CRC Mohanty, UNCRD</p>
15:20-15:40	<p><i>Green Industry Initiative: Establishing partnerships for sustainable recycling industries at local level (15 min)</i></p> <p>- by Ms. Elisabeth Herbeck, Environment Management Branch, UNIDO</p>	
15:40-16:10	<p><u>Discussion (30 mins)</u></p> <ol style="list-style-type: none"> 1. <i>With a post-2015 development agenda aiming to enhance multi-stakeholder partnerships for sustainable development that mobilize and share knowledge, expertise, technologies and financial resources to support sustainable development, what form of innovative multi-layer partnerships or cooperation municipalities can consider to realize resource efficient and zero waste societies?</i> 2. <i>With a post-2015 development agenda also aimed at making cities and human settlements inclusive, safe, resilient and sustainable, what are the most critical areas of waste management sector where an improved knowledge management is indispensable at municipal level? What are the various partnerships options the municipalities should consider for strengthening their knowledge and institutional base to make them best prepared for effectively addressing new emerging trends and challenges in waste sector?</i> 3. <i>How can multilayer partnerships help municipalities in building waste management infrastructures and facilities such as – eco-industrial zones, science parks., recycling industries, waste recovery facilities, etc.?</i> 	
Theme 6: São Paulo Declaration on IPLA by Latin American Municipalities		
16:10-16:30	<p>Introduction on “São Paulo Declaration on IPLA” by Municipalities and Local Authorities for Scaling up of National and International Public-Private-Partnerships (PPPs) in Waste Sector for Achieving Sustainable and Resilient Cities</p>	<p><u>Facilitator:</u> CRC Mohanty, Environment Programme Coordinator, UNCRD</p>
Closing Session		
16:30-17:00	<p>Closing Remarks</p> <ul style="list-style-type: none"> - Mr. Silvano Silverio da Costa, President-AMLURB, Sao Paulo Municipality - C.R.C. Mohanty, Environment Programme Coordinator, UNCRD - Hon. Ms. Olijana Ifti, Deputy Minister of Environment, Albania 	
Evening	RECEPTION HOSTED BY ISWA @ HSBC HALL	

**DAY 3: 10 SEPTEMBER 2014, TUESDAY (Room/LOCATION:
BALL ROOM 3/SHERATON WTC)**

Special IPLA Plenary Session of 2014 ISWA World Congress	Adoption and signing of the “ SÃO PAULO DECLARATION ON IPLA ” by Municipalities and Local Authorities for Scaling up of National and International Public-Private-Partnerships (PPPs) in Waste Sector for Achieving Sustainable and Resilient Cities Chair: Hon. Mr. Fernando Haddad, Mayor, Municipality of São Paulo, Brazil Facilitators: Mr. David Newman, President of ISWA; Mr. Carlos RV Silva Filho, Chairman of the 2014 ISWA Solid Waste World Congress; and CRC Mohanty, UNCRD
