7th IconSWM 2017: IconSWM is the biggest sustainable conference platform of ISWMAW established in 2009 in India working for the betterment of SWM and environment protection. Problem of waste management in India primarily lies in poor segregation of waste. The 7th IconSWM 2017 will deliberate on various issues related to innovation and implementation in sustainable waste management including segregation, collection, transportation, treatment technologies, policies & strategies, energy recovery, life cycle analysis, climate change, Circular Economy, research and business opportunities. 7th IconSWM expects to be attended by more than 500 delegates from nearly 30 countries in Hyderabad, India. Visit: www.iswmaw.com / www.iconswm.com

The 7th IconSWM 2017 will be organised as an official side event of the high level Intergovernmental Eighth Regional 3R Forum in Asia and the Pacific. The date and the venue will be announced soon. The side event aims to bring the scientific and research communities to address various issues related to sustainable aspects of SWM. As a pre-event of the Eighth Regional 3R Forum, it also aims to generate scientific inputs to the policy consultation of the Eighth Regional 3R Forum Co-organised by the UNCRD/UN DESA, MoEFCC India, MOUD India and MOEJ, Japan. There will be an opportunity of limited number of selected participants of 7th IconSWM 2017 to join the high level Intergovernmental Eighth Regional 3R Forum in Asia and the Pacific.
