

INSTITUTE OF STRATEGY, POLICY ON NATURAL
RESOURCES AND ENVIRONMENT, MONRE, VIETNAM

UNITED NATIONS
CENTRE FOR REGIONAL DEVELOPMENT

INSTITUTE FOR GLOBAL
ENVIRONMENTAL STRATEGIES

**Regional Workshop of the Greater Mekong Sub-region to share the
lessons learnt from the Viet Nam experience on
the National Strategy of Integrated Solid Waste Management/3R
28-29 July 2010**

**Co-organized by the ISPONRE/MONRE, UNCRD and IGES,
Supported by Asian Development Bank and Ministry of
Environment of Japan**

Wednesday, 28 July 2010

Opening Session (8:30-8:45)

- Address by Nguyen The Chinh, ISPONRE/MONRE
- Address by Kazunobu Onogawa, UNCRD
- Address by Yasuhiko Hotta, IGES
- Address by ADB/EOC (tbc)

Chair of the Workshop:
Nguyen The Chinh, Vice
Director General, ISPONRE

**Plenary Session 1:
Introduction of the National Strategy of 3R/Integrated Solid Waste Management
(8:45-9:45)**

Chair: Nguyen The Chinh, Vice Director General, ISPONRE

- (a) Mainstreaming the 3Rs: Global, regional and national perspectives – by CRC Mohanty, UNCRD
- (b) Development and Promotion of National 3R Strategy: Cambodia, Philippines and Thailand – by Guilberto Borongan, UNEP/RRC.AP
- (c) Introduction of the National Strategy of Integrated Solid Waste Management of Viet Nam: Visions, Objectives, Programmes and Actions – by Nguyen Trung Thang, ISPONRE/MONRE
- (d) Questions and Answers

Photo session/tea break (9:45-10:00)

Provisional Programme-GMS Workshop

Plenary Session 2: 3R and Waste Management Policies and Practices in GMS countries (10:00-11:30)

Chair: Chonchinee Amawatana, ADB/EOC

- (a) Cambodia – by CHUON Chanrithy and HENG Nareth, Ministry of Environment
- (b) Lao PDR – by Thevarack PHONEKEO, Water Resources and Environment Administration, and Phouthasom INTHAVONG, Ministry of Public Works and Transport
- (c) Myanmar – by Mann, Ministry of Progress of Border Areas and National Races and Development Affairs, and Ohnmar Myint, National Commission for Environmental Affairs
- (d) Thailand– by Napawas BUASRUANG and Wassana JANGPRAJAK, Ministry of Natural Resources and Environment
- (e) Yunnan Province, PRC– by ZHANG Huatian and ZHENG Yang, Ministry of Environmental Protection
- (f) Questions and Answers

Lunch Break (11:30-13:00)

Plenary Session 3: Theme - Integrated Solid Waste Management in the GMS countries (13:00 -14:25)

Chair: Kazunobu Onogawa, Director, UNCRD

- (a) Integrated Waste Management towards Green Economy – by Prasad Modak , Environmental Management Centre, India (20min)
- (b) E-learning module for ISWM – by Prasad Modak (15 min)
- (c) Challenges and Opportunities for implementing IWM in Viet Nam – by Nguyen Khanh Long, Ministry of Construction (20min)
- (d) Discussion (30min)

Break (14:25-14:45)

Plenary Session 4: Theme – Hazardous Wastes and E-Wastes in the GMS countries (14:45 -15:55)

Chair: Prasad Modak, Environmental Management Centre, India

- (a) Management of Hazardous Wastes and E-wastes in developing countries – by Sunil Herat , Griffith University (20min)
- (b) Hazardous Wastes and E-Wastes in Viet Nam: Issues, challenges and opportunities – by Nguyen Thanh Yen, Waste Management and Environment Promotion Agency/MONRE (20min)
- (c) Discussion (30min)

Provisional Programme-GMS Workshop

Plenary Session 5: Theme – Achieving Climate Change Co-benefits: Challenges and opportunities for the GMS countries (15:55 -17:05)

Chair: Sunil Herat, Griffith University

- (a) Win-win solutions for climate change and waste management, focusing on co-benefits – by Yasuhiko Hotta, IGES (20min)
- (b) Management of Agricultural Waste and potential for co-benefits: Cases from Viet Nam – by Dang Khanh and Nguyen Thi Hong Thanh, Department of Science, Technology and Environment/Ministry of Agriculture and Rural Development (20min)
- (c) Discussion (30min)

Closing of Day 1 (17:05-17:10)

18:30: Reception hosted by ISPONRE

Thursday, 29 July 2010

Opening of Day 2 (8:30-8:40)

Plenary Session 6: Session by IGES on Climate Change/Waste Management – (8:40-10:00)

Chair: ZHANG Huatian, Ministry of Environmental Protection (MEP), China

- (a) Estimating GHG emissions from landfills and organic waste treatment - by Jamsranjav Baasansuren, IPCC/TSU (20 min)
- (b) Utilization of urban organic waste in GMS towards climate change mitigation - by Janya Sang-Arun, IGES (20 min)
- (c) Discussion (40min)

Break (10:00-10:15)

Provisional Programme-GMS Workshop

Plenary Session 7: Interactive Dialogue among GMS Countries to Assess Desirability of Developing National Strategies and Implementing 3R Activities in GMS Countries (10:15 - 11:45)

Moderator: CRC Mohanty, UNCRD and Sunil Herat, Griffith University

- Que. 1: What are the lessons learnt from Viet Nam 3R Strategy?
- Que. 2: How could the 3Rs benefit GMS countries in terms of social, economic and environmental aspects?
- Que. 3: What are the obstacles in implementing the 3Rs/Integrated Waste Management?

Lunch Break (11:45-13:15)

Plenary Session 8: Interactive Dialogue among GMS Countries to Assess Desirability of Developing National Strategies and Implementing 3R Activities in GMS Countries – continued (13:15-14:40)

Moderator: Yasuhiko Hotta, IGES and Prasad Modak, Environmental Management Centre

- Que. 4: What are the financial, institutional and technical requirements to make the 3Rs happen in GMS countries?
- Que. 5: What is the future goal/vision towards sustainable resource management in the GMS countries?

Break (14:40-14:55)

Plenary Session 9: Discussion and Adoption of the Chair's Summary (14:55-15:10)
Chairs: Kazunobu Onogawa, Director, UNCRD and
Nguyen The Chinh, Vice Director General, ISPONRE/MONRE

Closing Session (15:10-15:20)

- Address by Nguyen The Chinh, ISPONRE/MONRE
- Address by Kazunobu Onogawa, UNCRD
- Address by ADB/EOC (tbc)
