

PROGRAMME

IPLA Global Forum 2012

on

Empowering Municipalities in Building Zero Waste Society - A Vision for the post-Rio+20 Sustainable Urban Development Seoul, Republic of Korea, 5-6 September 2012

In conjunction with
Resource Recirculation Week (3-7 Sep. 2012)

Hosted by:

Ministry of Environment, Republic of Korea (MOE-Korea)
United Nations Centre for Regional Development
(UNCRD)

Organized by:

Korea Society of Waste Management (KSWM)
Sudokwon Landfill Site Management Corp. (SLC)
Korea Environment Corporation (KECO)

DAY 1: 5 SEPTEMBER 2012, WEDNESDAY

Overall chair: Prof. Kim, Jae Young, Seoul National University/Chair of International Committee, KSWM
Co-chair: Mr. Choudhury Rudra Charan Mohanty, Environment Programme Coordinator, UNCRD

Time	Programme
8:30-	Registration
	Opening and Welcome Remarks by Organizers (This session is organized jointly with the International Conference/Exhibition on Combustion, Incineration/Pyrolysis, Emission and Climate Change (ICEPEC))
9:00-9:30 (30min)	- Prof. Yong-Chil Seo, President, Korea Society of Waste Management (KSWM) - Prof. Jong In Dong, International Conference/Exhibition on Combustion, Incineration/Pyrolysis, Emission and Climate Change (ICEPEC) - Mr. C.R.C. Mohanty, Environment Programme Coordinator, United Nations Centre for Regional Development (UNCRD) - Dr. Yoon, Jong-Soo, Vice Minister, Ministry of Environment, Republic of Korea (MOE-Korea)
	Keynote Speech
9:30-10:30 (60min)	Zero Waste Society in Boras City, Sweden - Strategies to Action Dr. Hans Bjork, Dean of School of Engineering, University of Boras, Sweden Recent Climate Change Issues and GHG Emission Reduction Potential from Biomass Resources Prof. Ralph Sims, Massey University, New Zealand
10:30-10:45	Break (move to IPLA Global Forum venue)
	Theme 1: Role of Partnerships towards Sustainable Cities
10:45-10:55 (10min)	Sustainable Cities from 21st Century Perspective Dr. Luis F. Diaz, Chair, Task Group on Solid Waste Management for Developing Countries, International Waste Working Group (IWWG)
10:55-11:05 (10min)	IPLA in the Context of Sustainable and Resilient Cities: Towards Realizing Rio+20 Outcome – “The Future We Want” Mr. C.R.C. Mohanty, Environment Programme Coordinator, UNCRD
	Facilitator Mr. C.R.C. Mohanty, UNCRD
	Rapporteur(s) - Mr. Guilberto Borongan, RRCAP - Dr. Devon Gardner,

11:05-11:15 (10min)	Solid Waste Management towards Sustainable Cities in Brazil and the Outcomes of IPLA Side Events at Rio+20 Mr. Gabriel Bras, Associacao Brasileira da Empresas de Limpeza Publica e Residuos Especiais (ABRELPE), Brazil	USC
11:15-11:25 (10min)	Supporting Municipalities in Healthcare Waste Management Dr. Surya Chandak, Senior Programme Officer, United Nations Environment Programme - International Environmental Technology Centre (UNEP IETC)	
11:25-12:00 (35min)	Panel Discussion <i>Key questions:</i> 1. <i>What roles municipalities/cities can play in influencing general public attitudes, consumers, and manufacturers (e.g., CSR, EPR) towards better urban environment?;</i> 2. <i>What are the enabling conditions for cities/municipalities to take up dynamic roles in better assessment, accession, usage and adaptation of waste management technologies considering growing quantity, complexity and diversification of waste streams?;</i> 3. <i>In the context of Rio+20 Outcome – The Future We Want, how cities/ municipalities can effectively develop partnerships in expanding waste management services towards realization of sustainable cities?</i>	
12:00-13:30	Lunch	
Theme 2: Zero Waste Policies and Programmes towards Resilient Urban Communities		
13:30-13:40 (10min)	Building Resilient Communities through Zero Waste Policies and Programmes – Experience of Zero Waste South Australia Mr. Vaughan Levitzke, Chief Executive, Zero Waste South Australia	Facilitator - Prof. Chettiyappan Visvanathan, AIT Rapporteur(s) - Dr. Sunil Herat, Griffith University - Ms. Joy Jadam, SWEEP-Net
13:40-13:50 (10min)	Solid Waste Management Practices & Initiatives of Ahmedabad Municipal Corporation, India Mr. I. K. Patel, Deputy Municipal Commissioner, Ahmedabad Municipal Corporation, India	
13:50-14:00 (10min)	Better City, Better Life – Solid Waste Management in Shanghai, China Ms. Huang Lihua, Project officer of International cooperation Division, Shanghai Environmental Protection Bureau, China	
14:00-14:10 (10min)	Overview of Wastes Management in Mauritius Mr. Bhaguthsing Beerachee, Deputy Director, Solid Waste Division, Ministry of Local Government and Outer Islands, Mauritius	
14:10-14:20 (10min)	Household Food Waste Management in the Republic of Korea towards Green Growth Mr. Jeon, Tae-wan, National Institute of Environmental Research, Rep. of Korea	
14:20-14:30 (10min)	South-South Cooperation toward Zero Waste and Climate Change Mitigation in Developing Asian Cities Dr. Janya Sang-Arun, Policy Researcher, Institute for Global Environmental Strategies (IGES), Japan	

14:30-15:40 (70min)	<p>Panel Discussion</p> <p><i>Key questions:</i></p> <ol style="list-style-type: none"> 1. <i>What are the enabling conditions (e.g. institutional, financial and technical capabilities) for cities/municipalities to take up dynamic roles in formulating/promoting zero waste policies and programs?;</i> 2. <i>What are the strategic components and elements that should be taken into account in formulating integrated waste policies and programs towards building resilient urban communities?;</i> 3. <i>What type/level of partnerships and stakeholders are required in advancing zero waste policies and programs?</i> 	
15:40-16:00	Coffee Break	
Theme 3: Public-Private-Partnerships (PPP) towards Zero Waste Cities		
16:00-16:10 (10min)	<p>Public-Private Partnership in Exporting Waste Management Services - Experience of Korea</p> <p>Mr. Lee, Chang-Joo, Assistant Manager, Korea Environment Corporation (KECO)</p>	<p>Facilitator Dr. Luis Diaz, International Waste Working Group (IWWG)</p> <p>Rapporteur(s) - Prof. Chettiyappan Visvanathan, AIT - Ms. Chamina Priyankari Alexander, SACEP - Dr. Radoje Lausevic, REC</p>
16:10-16:20 (10min)	<p>Enabling Conditions for Successful Private Sector Participation and Investment in the Waste Sector – Experiences of Germany</p> <p>Dr. Andreas Jaron, Head of Division WA II 1 "General Matters of Waste Management, Transboundary Movement of Waste", Federal Ministry for the Environment, Germany</p>	
16:20-16:30 (10min)	<p>Capacity Development for National Institutional Capacities and Local Level Organisational Strengthening (tbc)</p> <p>Ms. Diana Brandes-van Dorresteijn, Regional Programme Specialist Public Private Partnerships for Service Delivery, United Nations Development Programme (UNDP)</p>	
16:30-16:40 (10min)	<p>Public Private Partnership and decentralized composting approach in Dhaka, Bangladesh</p> <p>Mr. Abu Hasnat Md. Maqsood Sinha, Executive Director, Waste Concern, Bangladesh</p>	
16:40-16:50 (10min)	<p>Distribution of Best Available Techniques and Best Environmental Practices (BAT/BEP) in Waste Management in Regions of Russia and EurAsEC</p> <p>Mr. Vladimir Mariev, Director, International Center for the Best Environmental Technologies, Russia</p>	
16:50-17:00 (10min)	<p>Management of E-waste Recycling System in Korea</p> <p>Mr. Song, Hyo-Teak, Manager, System Management Team, Korea Association of Electronics Environment (KAEE)</p>	
17:00-18:00 (60 min)	<p>Panel Discussion</p> <p><i>Key questions:</i></p> <ol style="list-style-type: none"> 1. <i>What are the current incentives put in place to attract private sector investments in waste sector?</i> 2. <i>What are the financial support structures in place for PPP projects in waste sector?</i> 3. <i>What are the real challenges hindering PPP development in waste sector?</i> 4. <i>How can the private sectors build customers' cooperation and support?</i> 	

WELCOME DINNER

DAY 2: 6 SEPTEMBER 2012, THURSDAY

Time	Programme	
	Theme 4: Local Government Initiatives on Innovative Waste Management	
9:00-9:10 (10min)	Sana'a Capital City Secretariat Initiatives on 3R towards Zero Waste Mr. Mohamed Aleryani, Assistant Deputy Mayor, Sana'a City, Yemen	Facilitator Mr. Mohammad Helmy, Indonesia Solid Waste Association Rapporteur(s) - Ms. Diana Brandes-van Dorresteijn, UNDP - Dr. Janya Sang-Arun, IGES
9:10-9:20 (10min)	Nairobi City Waste Management Innovations Mr. William James Onyango Kenyanyi, Deputy Mayor Councilor, Nairobi City Council, Kenya	
9:20-9:30 (10min)	Improving Waste Management by Engaging the Private Sector Mr. Zoran Zaev, Mayor, Strumica, Macedonia	
9:30-9:40 (10min)	Waste Management in Provincia de Azuay, Ecuador Mr. Paul Carrasco, Prefecto, Provincia de Azuay, Ecuador	
9:40-10:20 (40min)	Panel Discussion <i>Key questions:</i> <ol style="list-style-type: none"> 1. What are the enabling conditions for cities/municipalities to develop and enforce policies and regulations on issues such as illegal dumping/open burning?; 2. How cities/municipalities can assess/harness 3R potential of various wastes – e-waste, construction and demolition waste, organic waste, etc.? 3. How cities/municipalities can introduce appropriate financial measures such as user fees to influence waste generation and disposal? What kind of guidance would be helpful of municipalities?; 4. What are the challenges for cities/municipalities to build public-private Partnerships (PPP) in developing recycling programs and building required infrastructures? 	
10:30-11:30	Celebration Event of the Resource Recirculation Week hosted by MoE-Korea	
12:00-13:30	Lunch	
13:30-13:40 (10min)	Main Aspects of the Tunisian Waste Management Strategies Mr. Monji Ben Abdallah, Director of the Environment, Municipality of Houmt Souk Djerba, Tunisia	
13:40-13:50 (10min)	Local Government Initiatives on Innovative Waste Management - Sri Lanka experiences Ms. Chandani Samarakoon, Commissioner of Local Government, Western Province, Sri Lanka	
13:50-14:00 (10min)	Community Collections of Recyclables by Community Groups - Waste Management in Arakawa Ms. Keiko Oue, Manager, Waste Management and Recycling Section, Environment and Waste Management Division, Arakawa City, Tokyo, Japan	
14:00-14:10 (10min)	Integrated Management of Regional Recyclable Resources: DanYang's Example (Eco-Recycling Complex) Dr. Ji-Whan Ahn, Korea Institute of Limestone & Advanced Materials (KILAM) Mr. Dong Sung Kim, Mayor, DanYang Gun, Republic of Korea	

14:10-14:30 (20min)	Panel Discussion (Continued from the morning session)	
14:30-14:45	Coffee Break	
14:45-15:45 (60min)	Official Launching of IPLA Web Portal - A Multi-facet and Dynamic Platform for Fostering Multi-stakeholder Partnerships in Waste Sector Mr. Rushikesh Bandekar, Vice President & Head (Technology Products and Solutions), IL&FS Education & Technology Services Ltd., India Discussion	Facilitator/ Rapporteur Mr. CRC Mohanty, UNCRD
Report and Announcement by IPLA Global, Regional, and Sub-Regional Secretariats		
15:45-16:45 (60min)	Public Private Partnership in Waste Management through IPLA: What does Private Sector Want? Prof. Chettiyappan Viswanathan, School of Environment, Resources and Development , Asian Institute of Technology (AIT), Thailand Regional Forum on the Economic and Ecological Potentials of Greening the Waste Sector in MENA & the Marrakech Declaration Ms. Joy Jadam, Technical Coordinator, Regional Solid Waste Exchange of Information and Expertise Network in Mashreq and Maghreb countries (SWEEP-Net), Tunisia Delivery of Waste Management Training to Empower Local Authorities in Building Resource Efficient Zero Waste Societies Dr. Sunil Herat , Senior Lecturer in Waste Management, Griffith School of Engineering, Griffith University, Australia Framework Programme for Expanding Waste Management Services of Local Authorities (EWAMS) Dr. Radoje Lausevic, Deputy Executive Director, Regional Environmental Centre (REC), Hungary Framework Programme for Expanding Waste Management Services of Local Authorities within Caribbean SIDS Dr. Devon Gardner, Dean, School of Sciences and Technology, University of the Southern Caribbean (USC), Trinidad & Tobago Solid Waste Management in South Asia Ms. Priyankari Alexander, Programme Officer, South Asia Co-operative Environment Programme (SACEP), Sri Lanka	Facilitator/ Rapporteur Mr. CRC Mohanty, UNCRD
16:45-17:30 (45 min)	Other Issues - Formulation of IPLA Advisory Board Members - Role of IPLA Sub-Regional Secretariats - Proposal on IPLA Award for the Best Performance in Municipal Waste Management	Facilitator/ Rapporteur Mr. CRC Mohanty, UNCRD
Closing		
17:30-18:00 (30 min)	- Mr. Heung-Jin Choi, Director General, Resource Recirculation Bureau, Ministry of Environment Republic of Korea (MoE-Korea) - Prof. Yong-Chil Seo, President, KSWM - Mr. C.R.C. Mohanty, Environment Programme Coordinator, UNCRD
